Description:

Are you looking for a new buy-to-let property on the Bulgarian coast? We suggest you to take a closer look at the complex "Imperium 2" in the town of Sveti Vlas.
"Imperium 2" is a luxurious complex 200 metres from the beach, offering a unique opportunity to combine the sea climate with the fresh mountain air. We recommend buying a flat in the complex "Imperium 2" to all those who are looking for a quiet and peaceful place to live.
The complex consists of three buildings A, B, C.
Building "A" consists of 7 floors and includes a total of 58 flats.
Building "B" is a 7-storey building consisting of 192 flats.
Building "C" is a 3 storey building.
All flats are designed with attention to detail and combine practicality and elegant design. Each flat has a bedroom, kitchen, bathroom and toilet and a spacious terrace or balcony.
The building has 4 modern lifts and is equipped with all the necessary amenities to make your life easier and more enjoyable.
The common areas of the complex include a swimming pool, landscaping, CCTV and limited access for owners only, ensuring you complete security and comfort.
The high quality materials used in the construction of the building ensure durability and style. All rooms have high quality insulation, which ensures that the flats are kept at a comfortable temperature all year round.

We hope to complete Building A at Imperium 2 in December 2024 or by May 2025.
