Description:

□ Bulgarian Resales offers to buy a property in a new residential complex in one of the best neighbourhoods 'Horizon' - your home and investment in the heart of Burgas!

□ The complex consists of four residential buildings and offers a unique combination of comfort, modern architecture and strategic location. This makes it a super favourable investment both for personal use and for renting out.

Start of construction: December 2024, completion by 2027. Deferred payment during the construction period.

Location:

Horizon neighbourhood is one of the fastest growing and most sought-after areas in Burgas. It is located close to the sea coast, green areas, schools, shops, shopping centres and main highways, which provides convenience and high quality of life.

Modern concept:

The building is designed with an emphasis on functionality and aesthetics. The flats are spacious and bright, using high quality materials and energy efficient systems to ensure lower running costs.

Investment Attractiveness:

Property prices in Burgas have been steadily increasing in recent years and this trend is continuing. Due to its excellent location and quality construction, buying a property in this building is an ideal choice for buyers who

expect a steady increase in the value of their property.

Why choose Burgas?

Burgas is among the most preferred cities to live in Bulgaria. Here are some of its main advantages:

Its proximity to the sea, beautiful beaches and the Sea Garden Park make it attractive for both holidays and year-round living.

The city has a modern transport network, an international airport and actively developing business districts.

Education and Culture:

Many schools, universities, cultural activities and a rich history.

Growing economic opportunities:

Thanks to the port, tourism and investor interest, Burgas is becoming an economic centre, which has a positive impact on the property market.

Invest now in Burgas and enjoy all the advantages of this wonderful city!
