Description:

Start of construction of 10 new luxury townhouses in March 2025. A communal swimming pool will be built on the territory. The complex is located 3 km away from the beach in Pomorie area.

□ Victoria Verde complex will be ready for occupancy in May 2026.

The houses in the new complex will be townhouses. All houses will be delivered 'turnkey'!

□ Each house has its own yard and parking space!

□ The maintenance fee is 12,00 euros including VAT per square metre.

□ In addition to the maintenance of the common areas, swimming pool, this price includes watering and mowing the lawn in the private courtyard of each house.

□ The Victoria Residence complexes have a tennis court, football and basketball courts, the use of which is included in the maintenance price, at no extra charge.

Standard payment plan: 30% down payment upon signing the preliminary contract and equal instalments, over an equal period until completion of construction.

This is a great opportunity to invest in a property in Bulgaria for permanent residence, as well as for renting or holidays. Tranquility and cosiness, closed territory, infrastructure of the complex has been developing for more than 7 years.

There are also a few already built houses for sale, please enquire!
