Description:

The new "Bella Sol" residential complex sets a modern standard for comfortable living in the centre of Sunny Beach for those who value comfort, privacy and thoughtful architecture.

Bella Sol is a five-storey residential building ideal for permanent living by the sea without unnecessary expenses.

An important advantage of the project is the absence of a maintenance fee, which distinguishes it from most new properties in the resort.

Completion of the project is scheduled for the end of 2026.

Until construction is completed, a flexible instalment plan is in place, allowing you to spread your budget and lock in an attractive price for the duration of construction.

All apartments are delivered with high-quality turnkey finishes:

- painted walls and ceilings
- bathrooms with tiled walls and floors
- floor coverings
- entrance and interior doors

The space is ready for furnishing and creating an interior that reflects your style.

A location that works all year round: "**Bella Sol**" is located in a developed area with a full range of
