Description:

We are pleased to present you with a new residential building in the city of **Burgas, Meden Rudnik**. The building consists of two residential buildings for year-round residence.
The location is very convenient, close to the new bus station.

Bus Station, school, kindergarten, and all urban infrastructure. **Meden Rudnik** is a fast developing quarter, with convenient communications with the city center and the exit from the city. With kindergartens, schools, hospitals, and large chain stores, the neighborhood is a favorite place for young families to live permanently.
The project will be implemented in stages. The first phase - the construction of housing 2, the second phase of construction of a larger building 1.

The first building consists of a ground floor with garages and four residential floors. The second building has an underground floor with garages and parking spaces and five floors.

Excellent quality construction from a proven success in the real estate market builder!

- Concrete construction,
- The thickness of the outer walls of 25 cm.
- The corridors and staircase lined with granite
- Automatic lighting.

- Facades are plastered and decorated with ornamental stone
- The windows are five-chamber, colored PVC.
- Noiseless hydraulic elevator.

Apartments are offered with finishing "rough". At the request of the customer can be finished "turnkey".
The beginning of the construction - December 4, 2020.
Construction period - 24 months until the end of December 2022
