Description:

Aphrodite Rose residential complex is located in the most ecologically clean area - in the west of the resort of Sunny Beach and is literally buried in the greenery of two luxurious parks, the only ones in Sunny Beach. Only here you will find harmony with nature, enjoy clean air and silence.

All the infrastructure of the resort, discotheques, restaurants, cafes, banks, health centre, pharmacy, the nearest bus stop is just 300 metres away. Posh sandy beach is only 600m away from the complex.

The building is divided into two blocks- A and B. The apartments are being sold fully finished and ready to be lived in comfortably.

Only highest European quality materials are used for the construction and interior finishing works:

- External walls: brick "Wienerberger-porotherm";
- Internal partition walls: brick "Wienerberger-porotherm";
- External thermal insulation "Baumit";
- internal and external walls: cement-lime plaster, then gypsum putty.

The construction supervision and monitoring of the object was entrusted to TUV NORD (Germany), the world leader in the field, which guarantees strict implementation, ensuring control of approved and certified construction works, design supervision and approval of all construction stages, utmost control of all construction works, highly qualified personnel with international experience.
