Description:

Bulgarian Resales offers a new project directly from the builder - a residential building with bright and sunny apartments with one and two bedrooms, which will be built and located meters from the sea coast on Priboyna Street in Sarafovo. Nearby there is a bus stop, playground, kindergarden, stores, restaurants, a new marina, tennis court, soccer field and so on. There will be 11 flats and storage units in the building, **with no support tax**. The ground-floor apartments will have garages.

Construction will begin in May 2021.

Completion is expected in late 2022.
