Description:

The "Sea Shore" complex is suitable both for seasonal recreation and for full-time permanent residence.

The beach of St. Vlas faces south and has an international Blue Flag award, which is given for the cleanliness of the beach! The sand is fine and golden. A unique combination of pure mountain, forest and sea air, beautiful scenery. Sveti Vlas is a favourite holiday destination for many Bulgarians and foreigners. The autumn is uniquely long, warm and quiet. In recent years there have been temperatures of +15 degrees centigrade in mid-December.

In addition, the natural aerosols produced by the sea coast have a curative effect on the respiratory tract. The project has been carefully planned with all the needs of future owners in mind.

Sea Shore complex consists of two blocks, 7 floors, in total 104 flats. Each flat has a balcony overlooking the sea and/or the swimming pool, some of them overlooking the charming green hills on the north side of the complex.

Start of construction: October 2014

Completion: Act 16
