Description:

Apartments for sale in the residential complex Apollon

Apollon complexes have a large territory and are some of the best apartment complexes on the Bulgarian coast. There are 9 Apollon complexes, each with its own area, swimming pool, and infrastructure. Various types of entertainment, beautiful landscapes, comfort, and convenience for everyday life - these and many other benefits keep increasing the demand for buying real estate in this residential complex every year.

The best accommodation and developed infrastructure in Apollon

Buying apartments in Apollon is popular not only because of the proximity to the Black Sea. The region also has a well-developed infrastructure. There is a local water park just 400 meters away from the residential complex and the city center of the popular Bulgarian city Ravda is no more than 2 km away. The famous tourist attractions of the city of Nessebar are also within immediate reach. Buying real estate in Apollon is also relevant for those who plan to spend more than the summer holidays here. In an enclosed area of the complex there is everything you need for a comfortable permanent residence.

Services at your disposal include:

- many restaurants and cafes with excellent cuisine;
- beautiful park areas for recreation and walks;
- children's and adult outdoor pools with sunbathing areas;
- fitness center and SPA center;
- various sports grounds (tennis, mini-football, etc.);
- free parking and the car rental;
- large playgrounds;
- access to the infrastructure of neighboring complexes.

Purchasing apartments in Apollon also means round-the-clock security and quality service.

Apollon: types of the property for sale

There are nine four-story modern buildings on the territory of the Apollon residential complex.

Studio apartments (area 40-47 m²). Cozy and comfortable accommodation with visually separated areas, a balcony, an equipped bathroom with a bath and a spacious room.

Two-room apartments (area 59-66 m²). Comfortable apartments with a bedroom and a living room. There is enough free space to install large-sized furniture and there is a great view of the surrounding area and the landscape from the balcony.

Three-room apartments (area 78-95 m²). Such housing is perfect for a family or a big company. Each apartment for sale has a spacious living room, a kitchen area, two bedrooms, two bathrooms, and a big balcony.

The apartments for sale in Apollon are offered with complete turnkey finishing. There is a possibility of individual decoration at the request of the customer.
