Description:

The elite complex "Etara 3" is the third building in the Etara series. The complex is located in the elite resort town of Sveti Vlas 200 m from the sea. As the complex is built on a small hill - most flats have views of the sea, the beach of Sunny Beach, and the historic town of Nessebar.

Sveti Vlas is valued for its healing clean air, extraordinary natural beauty, silk sand beaches, and tender sea. Thanks to the mountains on one side and the sea on the other, a mild healing microclimate is created, and comfort and calm are felt. The air here has a beneficial effect on the lungs and the whole organism, and asthmatic manifestations take place.

The main directions:
