Description:

"Paradiso Nessebar" - translated from the Italian language **"Paradise place"** - is a unique residential complex located in the town of Nessebar, the first line to the sea coast.

The view from the windows of the apartments is incomparable: the splendor of the ancient town of Nessebar, Sunny Beach, Stara Planina Mountain, and the modern town of Saint Vlas. On the left, a few meters from the complex begins a sandy beach, merging with the protected dunes.

"Paradiso Nessebar" consists of three entrances A, B, and C. There are 169 apartments and studios on six floors with frontal sea view, underground garages, and commercial areas.

There is also a reception, a restaurant, and a large external swimming pool.

The location in the city and the proximity of "Sunny Beach" - the biggest and most famous resort on the Bulgarian Black Sea coast, make it suitable for both summer holidays, and for permanent residence in a refined atmosphere and a pleasant environment.

The complex was built in 2017.
