Description:

Apartment for sale in the Garden of Eden complex

"Garden of Eden" is a premium-class residential complex in Bulgaria, located in the city of Sveti Vlas. A pleasant sea breeze, a gorgeous view from the window, a wide range of services, and unlimited opportunities for recreation and living - these are all pleasant surprises you'll find here. From year to year, the apartments for sale in the "Garden of Eden" complex are in increasing demand, which once again confirms the uniqueness and high standard of living in the residence.

Property for sale in the "Garden of Eden": unique location, elite buildings, developed infrastructure

The location on a hill near the Black Sea coast will allow you to enjoy the beautiful seaside and the incredible landscape of the peninsula every day. Panoramic views of the bay perfectly complement the

internal arrangement of the residential area. Regardless of the apartment's location in "Garden of Eden", astonishing gardens with lush plants and stunning landscape design will be visible from your windows. The buildings on the site meet the highest quality standards of construction. All elements of the buildings are thermal- and waterproof, the apartments are protected from any whims of nature. On the outside, townhouses and penthouses look modern and charming. Without a doubt, everyday rest and living in "Garden of Eden" is a fascinating experience.

Giving your attention to the property for sale in the Garden of Eden is relevant for another reason. A completely enclosed and secured apartment complex area has a well-developed infrastructure.

Services at your disposal:

- Purchase of real estate in the "Garden of Eden" apartment residential complex

Deciding to buy an apartment in the "Garden of Eden"? We recommend contacting professionals - the Bulgarian Resales agency. We have been working in the Bulgarian real estate market since 2007 and we know how to buy a home, including in the Garden of Eden complex, with the maximum benefit for you. Work without intermediaries, legal support of the transaction, saving time, and the absence of "pitfalls" - this and much more we offer to each of our clients.

Maintenance: EUR 1 350 per year regardless of the type and size of the apartment.

Often our clients chose of [real estate tour](#) before buying a flat in St Vlas, and we invite you to take advantage of this opportunity.
