Description:

Las Brisas is designed to surprise. The first thing that makes a striking impression is the mesmerising view from the top of the hill over the shimmering sea surface. However, Las Brisas is not only **beautiful views**, but also **infrastructure**, created in full compliance with all the conditions necessary for a comfortable stay.

The complex consists of four blocks "A", "B", "C" and "D" and an underground parking garage, which unites all buildings.

Each of the blocks consists of four storey buildings; in block "D", unlike the others, three storeys are allocated for residential premises and on the ground floor there is a cozy café. Bodies C and D are closer to the sea.

Las Brisas is a perfect combination of azure sea, beautiful scenery and comfortable apartments, which provides everything you need to enjoy life. Besides, the complex is situated in Sarafovo - the elite district of Bourgas, ten minutes away from the city centre. Thus, the pleasant tranquillity of the seaside and the busy life of the town are linked together, giving the residents of Las Brisas complex the choice of a holiday to their liking.
