Description:

Residential complex "Cascadas Ravda" is located in one of the most beautiful places on the southern coast of Bulgaria, in a small, cozy village - Ravda five minutes walk from a sandy beach and water park. Clean sea air, peace and quiet, beautiful beaches in the bays, and all this at very affordable prices hospitably offers Ravda. Ravda is located between the museum town of Nessebar with its many thousands of years of history and calms healing Aheloy. The coastal strip is closed from cold winds by capes Ravda and Acrotiria, so the climate here is mild and warm from April to October. The beaches are equipped with everything necessary for a good rest.

The complex is located in a quiet and peaceful place - a great place to relax during the summer vacations and permanent residence.

In walking distance of all infrastructure for year-round accommodation - grocery stores, banks, restaurants, spa centers, cafe-bars, swimming pools, bus stops, and others.
