**Description:**

The apartment complex "**Mojito Club**" is located one hour from Bourgas International Airport, on a quiet, landscaped road that runs through the "**Ropotamo**" reserve. The cleanliness of the sea water is promoted by the waste water treatment plant located between the resort of Lozenets and the town of Tzarevo.

The presence of two beaches near the complex "**Mojito Club**" provides a variety of leisure at the sea. The central beach is the biggest and most luxurious one, only 70 m away from Mojito Club, with fine golden sand, shallow waters and good beach services. A fish restaurant and a surfing school are located directly on the beach, and various sporting events are held periodically.

The second, more secluded beach with shells and shallow water, is located 200m from the complex "**Mojito Club**" and is well suited for a quiet holiday with small children.

Most of the apartments at Mojito Club enjoy the panoramic view to the beautiful promontory of Ambelitz and its rocky shoreline is excellent for fishing and snorkeling. Grocery shops and markets, supermarkets, restaurants, cafes and a bus station are all within walking distance of the apartment complex "**Mojito Club**".
