Description:

Sea View Resort is a first-line complex located on a 95,000 sq.m. plot near the **city of Kavarna**.

The resort is located in one of the most beautiful and attractive areas of the Black Sea coast to the north of **Albena**.

Sea View Resort is 40 km from the Romanian border and only 64 km away from Varna International Airport.

The buildings in the complex **Seaview resort** are a low storey in order to provide maximum panoramic sea view. In its first phase of construction, there are **351 apartments**

The apartments at the seaside resort are delivered on a turnkey basis and fully furnished - for the convenience of holidaymakers or investors who wish to rent out their properties.

The area offers excellent conditions for seaside tourism for those seeking a pleasant and tranquil holiday away from the noise and pretentious resorts. The milder climate creates the conditions for golfing all year round.

A place rich in history that has preserved the charm of its unique nature and at the same time is a developing centre of golf tourism. The resort towns of Kavarna and Balchik, the resorts of Tuzla, Ikantalaka, Bola and Rusalka and many other historical places like the archaeological reserve "Yaylata";

Cape Kaliakra, where the ancient fortress of Crisis, a well-known reserve with archaeological value, are already familiar to tourists. As a result of the increased tourist flow over the past few years, Kavarna has become one of the most attractive places in the Northern Black Sea Region for construction and investment. Today Kavarna is a modern town with well-developed infrastructure and service facilities, offering great opportunities for golf, fishing, hunting and beach activities. There are currently 3 golf courses under construction in the area, one of which is part of the five biggest golf complexes in the world, two of which were designed by Harry Player, and there is also an equestrian centre nearby.

The golf course is located in the centre of Kavarna.
