Description:

The **Tarantula** complex is a residential building with a built-up area of approximately 400 sqm and a total deployed area of 2,200 sqm. It is located on a plot of land with an area of 1200 sq. m. The complex is located in close proximity to the centre of Slanchev Bryag. The area where the complex is located has an excellent infrastructure: an asphalt road accessing the complex, a grocery shop located 20 m away, a drugstore located 50 m away and the main bus station of Slanchev Bryag located 200 m away. The beach is 500m far away.

The complex will be fenced with massive fence with concrete base and metal ornaments. The territory around the building will be covered with paving stones and greenery. Behind the building there will be a swimming pool with dimensions of 5 by 10 metres and a detached children's playground next to it. There will be a pavement approximately 7 metres wide on the street side with tall trees along the whole building.

There will be a fitness centre, cocktail bar and shops in the building.
