Description:

ARCADIA COMPLEX combines the best traditions of Bulgarian architecture with modern construction. The complex is located 300 m from the sea and a 6-minute walk to the famous entertainment center Cacao Beach, in the southern part of Sunny Beach. The location is unique - you are close to a popular and fun location, but in a quiet area so you and your family can relax.

The building has two entrances with elevators and is supervised 24/7. Private parking is available for free.

Those looking for crazy parties will find them at Cocoa Beach and the many bars, cafes, discos, and nightclubs nearby.

All of them are within walking distance. Nearby are many restaurants and mini-markets, and chic neighborhood infrastructure at your fingertips!

The complex has a large garden, a swimming pool with a large adult pool, and a small children's pool. Loungers are free.

Thanks to the successful location, beautiful grounds, quiet atmosphere, and distinctive architecture, the apartment in Arcadia is a sensible choice for investment, personal recreation or for renting.
