Description:

We are pleased to present a new project - **the J'Adore Secret Garden residential complex** in Sunny Beach. The complex is located just 300 metres from the beach of the resort, in the Cacao Beach area. The project is inspired by the French Riviera and will be built using high-quality materials in soft pastel colours, the investor has relied on designer swimming pools, rich landscaping, beautiful gardens and recreational areas.

On the territory of the complex will be located **reception, lobby bar, Gelato corner, fitness centre, massage studio, water mirror resembling an infinity pool** with limited access for owners of independent objects on the ground floor, main designer pool with an island, gardens with deciduous trees, hydrangeas, roses, rotunda with exquisite wisteria and many other beautiful floral solutions. A children's playground for the youngest residents, as well as separate parking spaces with limited access for building owners.

The studios and apartments will be finished turnkey with flooring and fully equipped bathrooms.

We will prepare three types of furniture for the buyers' convenience at an additional cost.

Our clients will be provided with rental management as well as additional services such as pre and post-stay cleaning and post-season maintenance.
