Description:

For the first time in the city of Bourgas a gated complex "**Perla**"(The Pearl) has been built. It is located in the residential area of "Zornitsa", 200 meters away from the Seaside Park. In VIP complex "Perla" there are designed 4 eight-storeyed and one six-storeyed buildings on 9 hectare plot with plenty of greenery and the total built-up floor area of the project shall be 40 000 m². There will be built flats of various sizes and world-views, commercial premises, café-club, restaurant, surgeries and a pharmacy on the plot. The main factors which make gated communities attractive are the possibility of controlled access, manicured lawns, a separated internal pedestrian zone, children's and sports areas, swimming pools, fitness and spa centre, beauty and massage rooms, hairdresser's, as well as all the organized services of the complex. Only here you have the unique chance to be part of the rich urban life, maintaining your individuality and tranquillity in your daily life.

Act 16.

Maintenance: 4.9 euro/sqm/year.
